

Scrum - User story #1017

Enable the user to edit tasks pending effort for days in the past

2015-04-22 15:49 - Hassan Assalih

Status:	Resolved	
Priority:	Normal	
Category:	Sprint board	
Target version:	Scrum v0.13.0	
Blocked:	No	
Description		Alone:
If the pending efforts were logged with some typos, then we have no means to edit them again the next day, this will make sprint burndown graph looks very wrong, an example for this is attached, so say yesterday I edited the pending efforts with some typos, I need to be able to edit them the next day for yesterday or any date in the past.		
Subtasks:		
To do # 1096: Add editable view for pending efforts		Resolved

Many thanks for your efforts, is it going to be compatible with Redmine 2.6? When are you planning to release V0.13?

I am still facing an issue when the task has no pending effort added in the past days.

E.g.

1. The task was created at Jan, 27th

2. The sprint started at Jan, 28th

3. The pending effort should have been edited at Feb, 2nd, but it was first edited at Feb, 3rd.

If I try to edit the past efforts, it does not allow me to edit any day inside the interval between Jan 28th and Feb 3rd.

Screenshot is bellow. Should I open another issue, or reopen this one?
