

Scrum - Defect #1049

Sprint and Backlog Boards are not working

2015-07-19 23:48 - j k

Status: Rejected	
Priority: Normal	
Category: General	
Target version:	
Source: Customer	Blocked: No
Detected on version: Scrum v0.11.1	Alone:
Description	
<p>Hey! Thank you for your great work. But unfortunately my sprint and backlogs do only look like that:</p> <p>I think that should not be the case, right? In the settings I cannot see post it colors, too:</p> <p>It's redmine 3.0.3.</p> <p>Thank you very much for any help!</p>	

History

#1 - 2015-07-20 12:01 - j k

Okay, I'm an idiot. Didn't look in the apache logs but only in the redmine logs. There was a rights problem, the stylesheets and javascripts in /var/www/redmine/public/plugin_assets/scrum/ where not accessible by the server.

Can be closed, sorry!

#2 - 2015-07-20 12:56 - Emilio González Montaña

- Category set to General

- Status changed from New to Rejected

Don't worry, this kind of things happen to me all the time :D

#3 - 2015-07-20 12:57 - Emilio González Montaña

- Tracker changed from User story to Defect

- Source set to Customer

- Detected on version set to Scrum v0.11.1
