

Scrum - User story #1161

[PATCH] use Module prepend, to make scrum compatible with other plugins

2016-06-07 12:05 - Redmine Smile

Status:	New	
Priority:	Normal	
Category:	Issues list & form	
Target version:		
Blocked:	No	
Description		Alone:
<p>This patch forces to use Ruby 2.0+, which should be the case on the vast majority of platforms (Matz said : don't use Ruby 1.9 :-)) Prepend is a quite cleaner and respectful way to overload methods, and the patch code is cleaner !</p> <p>We are testing it here and, there should be no regression.</p>		

History

#1 - 2016-06-21 16:26 - Emilio González Montaña

- Target version deleted (Scrum v0.14.0)

#2 - 2016-08-22 14:37 - Redmine Smile

Hi Emilio, could we consider enabling prepend only when Ruby version is greater or equal to 2.0,
If yes, I can provide a patch.
