Scrum - To do #1177

User story # 1173 (Resolved): Improve usability of Sprint board

Update parent PBI status based on child tasks

2016-06-23 15:58 - Emilio González Montaña

Status:	Resolved	**Estimated time:**	0.00 hour
Priority:	Normal		
Assignee:	Emilio González Montaña		
Blocked:	No		

Description

- If any child task status is not new, PBI status is set to in progress.
- If all child task statuses are new, PBI status is set to new.

Because there is no way to know which statuses are new or in progress, first status will be used as new, second as in progress.
