Scrum - User story #1196

Add existing user story to the sprint directly from the springboard

2016-09-20 21:12 - Florian Delizy

Status:	New		
Priority:	Normal		
Category:	Sprint board		
Target version:			
Blocked:	No	**Alone:**	

Description

It would be great to be able to add directly user stories (either from the product backlog or something) by drag&drop-ing them from a space in the springboard (or by having a button with a dialog to find them).
