Scrum - To do #1212

Save selected Sprint on Sprint view

2016-10-13 14:54 - Perrier T

Status:	New	**Estimated time:**	0.00 hour
Priority:	Normal		
Assignee:			
Blocked:	No		

Description

If I select a Sprint to view from the dropdown and open an other tab then go back, it should show the last selected Sprint or at least the next open sprint by date.
