Description

Hi,

When issue is copied all fields remains the same except Sprint and Pending Effort fields.

Preconditions:

- Sprint **44** is the current one.
- Sprint **45** is the next in the future.

Scenario is the following:

- Create new issue
- Set "Sprint" field to the **45**
- Set "Pending Effort" field to **2**
- Save issue by clicking "Create" button
- After issue is created, click on "Copy" link (right top corner) to make issue copy
- Observe:
    - Values for most fields matches the ones in the source issue (expected), but
    - The "Sprint" field is reset to the **44** (not expected),
    - The "Pending Effort" field is reset to **empty** (not expected).
