

Scrum - Defect #1233

Unable to control "Sprint" and "Pending Effort" field permissions via Workflow

2016-11-04 19:27 - Bartosz Firyn

Status:	New	
Priority:	Normal	
Category:	General	
Target version:		
Source:	Development	Blocked: No
Detected on version:	Scrum v0.15.0	Alone:

Description

Hello,

The problem is that Workflow administrative section is missing "Sprint" and "Pending Effort" fields. The Pending Effort is not such a big deal, but Sprint should be there to configurable which role can modify Sprint assignment.

History

#1 - 2017-04-05 21:31 - Maicon Zucco

+1
I have same problem.

#2 - 2017-04-18 10:15 - Björn Sander

+1
I'd like to also hide the "Sprint" field using role model
