To do # 1286: Custom boolean field to allow render single PBIs	**Resolved**
To do # 1287: Add single PBI behaviour (without dragging)	**Resolved**

History

#1 - 2017-01-13 16:09 - Emilio González Montaña

- Sprint changed from Product backlog to Sprint 33

#2 - 2017-03-22 09:38 - Edgars Jēkabsons

Hola!

I'm really interested in using this feature. Any chance on getting SVN access and maybe collaborate on getting this released?

Also, I would not mind a small one time donation (patreon scares me with this per month donations :)) from me personally and there's a small chance I might convince managers for some one time payment of a larger sum if you can provide an invoice.

Email me at edgars.jekabsons gmail
