Description

After I update plugin of "Advanced roadmap 0.10.2", it has some issue.
<https://redmine.ociotec.com/projects/advanced-roadmap/roadmap>

1. If the milestone due day is 2017-02-01 (February 1), the calendar of January & February both will see this milestone record.

2. If the milestone due day is 2017-01-12 or 2017-01-13, the calendar can NOT see this milestone record.

Would you please help to resolve those issue?
