Scrum - User story #1509

Sprint board filter by Assignee, add a first line for "Me"

2017-11-20 15:41 - Redmine Smile

Status:	New			
Priority:	Normal			
Category:	Sprint board			
Target version:				
Blocked:	No		**Alone:**	No

Description

Here is some code that can be added :

```
$("table.sprint-board a.user").each(function(row_index, user_link) {
  users[$.trim(user_link.text)] = row_index;
});

// Three lines added
var current_user_name = '<%= User.current.name %>';
var label_me = '<< <%= l(:label_me) %> >>';
if (users[current_user_name])
  $assignees.append("<option value='" + current_user_name + "'>" + label_me + "</option>");

$.each(users, function(user, row_index) {
  $assignees.append("<option value='" + user + "'>" + user + "</option>");
});
```

With this sample code, the logged user is not removed from the following lines.

> With this sample code, the logged user is not removed from the following lines.

I mean that the logged user will appear twice in the list (as Me and next with it's name)
In the case he his member of the project of course.
