Scrum - Defect #1567
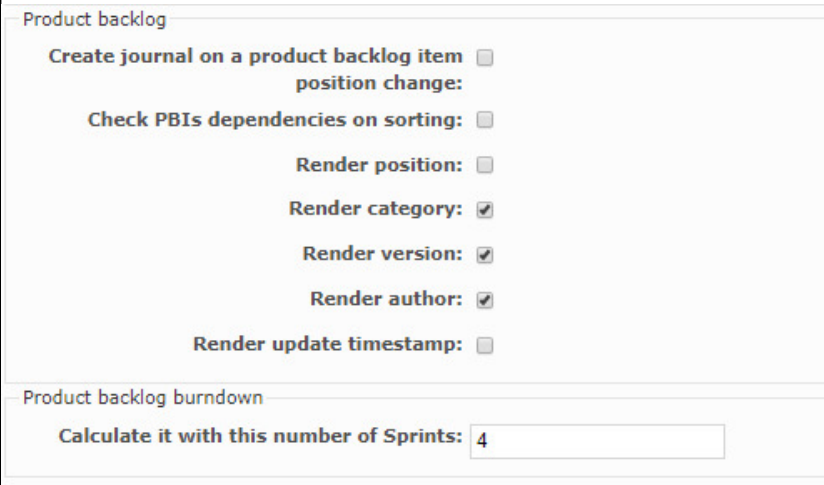

Sprint board and backlog became empty after configuring setting.

2020-01-15 03:33 - ryle justine

Status:	New			
Priority:	High			
Category:	Sprint board			
Target version:				
Source:	Development	**Blocked:**	No	
Detected on version:	Scrum v0.17.0	**Alone:**	No	

Description

Sprint board and backlog is now empty after configuring SCRUM plugin setting

See image below for reference:

changes made were:
I unchecked the checkbox "Check PBI dependencies on sorting" since this was the workaround introduced in

https://redmine.ociotec.com/issues/1200

History

#1 - 2020-01-15 03:37 - ryle justine

Additional info: Upon checking the checkbox and applying changes, when scrolling down to see the settings, it is still unchecked.

#2 - 2020-01-15 04:23 - ryle justine

Update : Updated SCRUM Plugin to 0.18.1 but problem still exists

#3 - 2020-01-15 06:16 - Emilio González Montaña

Please, provide logs with the error.
