Scrum - Defect #1610

Undefined method 'reset_positions_in_list' for Issue

2023-01-13 16:01 - D Gorton

Status:	Rejected			
Priority:	Normal			
Category:	Product backlog			
Target version:				
Source:	Development	**Blocked:**	No	
Detected on version:	Scrum v0.20.0	**Alone:**	No	

Description

After moving items from a sprint to the backlog, this error occurs on product_backlog_controller.rb:208 when attempting to view the backlog. The offending line is:
 	
`issue.reset_positions_in_list`
 	
To work around this I change that line to be
 	
`issue.move_pbi_to('bottom')`
