

Scrum - Defect #1627

Inconsistent Sprint input sorting in some plugin views

2026-07-05 16:49 - Emilio González Montaña

Status:	Resolved	
Priority:	Normal	
Category:	Sprint board	
Target version:	Scrum v0.24.0	
Source:	Customer	Blocked: Yes
Detected on version:	Scrum v0.24.0	Alone: Yes

Description
On /sprint/XXX Sprint menu sorted descending. Not a large problem as one usually want's to move something to the previous sprint but it would be nicer if it was consistent.

On /issues/xxx is is sorted ascending.
