<b>Assignee:</b>	Emilio González Montaña	<b>% Done:</b>	100%
<b>Category:</b>	Issues	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	Advanced roadmap 0.2.0	<b>Redmine version:</b>	
<b>Source:</b>			
<b>Detected on version:</b>			

#### Description

With the last revision of Redmine from SVN and the last version of the Advanced Roadmap plugin, after upgrading an issue with a note and save, the user is shown with the page "Internal Error" (Code 500). For a more detailed error description check this [link](#)

The plugin results useless with the last trunk revision of Redmine and interferes with the proper behaviour of Redmine

#### History

##### #1 - 2010-05-17 09:29 - Wael Nasreddine

- File *fix-advanced-roadmap.patch* added

The fix was pretty easy, the `_history` partial expects the issue been sent to it so here's a patch

##### #2 - 2010-08-18 11:24 - Andrew Rudenko

confirmed,  
this patch fixes an error with the issue display.

##### #3 - 2010-09-14 14:22 - Slava Karg

Yep. Also had these problems and fixing file `redmine/vendor/plugins/advanced_roadmap-1.0.0/app/views/issues/show.rhtml` resolved them.

##### #4 - 2010-12-10 08:18 - Emilio González Montaña

- Due date set to 2010-12-10
- Category set to Issues
- Status changed from New to Rejected
- % Done changed from 0 to 100

Solved on new version version:0.2.0.

##### #5 - 2010-12-10 08:20 - Emilio González Montaña

- Target version set to Advanced roadmap 0.2.0

##### #6 - 2010-12-10 08:21 - Emilio González Montaña

- Assignee set to Emilio González Montaña
