History

#1 - 2010-09-08 15:24 - Emilio González Montaña

Is the problem in the last version 0.1.0? I don't understand the problem, in the Roadmap of this project the issues show the done % perfectly. If you have a public Redmine instance, please link it here with the Roadmap/Version/Milestone view with the problem.

#2 - 2010-09-08 16:19 - Arn Vollebregt

Is the problem in the last version 0.1.0?

I am using *advanced_roadmap.0.1.0.tar.gz* with *Redmine 1.0.1.stable (MySQL)*

I don't understand the problem, in the Roadmap of this project the issues show the done % perfectly. If you have a public Redmine instance, please link it here with the Roadmap/Version/Milestone view with the problem.

I don't have a public instance, but I have attached screenshots for you.

This roadmap view does not show a %done:

However, the %done still is not show for the overall project?

#3 - 2010-12-10 08:10 - Emilio González Montaña

The problem is that you haven't logged time for the issue, so the total can't be calculated...

#4 - 2010-12-10 08:11 - Emilio González Montaña

- Due date set to 2010-12-10
- Status changed from New to Rejected
- % Done changed from 50 to 0

#5 - 2010-12-10 08:20 - Emilio González Montaña

- Target version set to Advanced roadmap 0.2.0
