- Category set to Data base

- Status changed from New to Rejected

- Assignee set to Emilio González Montaña

- Target version set to Advanced roadmap 0.3.2

- Start date set to 2011-02-22

- % Done changed from 0 to 100

It seems you didn't follow Redmine instructions to install plugins (not only this one), you must migrate the plugin like this:

```
rake db:migrate:plugins
```

This will create plugin tables, then restart your Redmine.

I've added information about the installation at wiki [Advanced roadmap plugin for Redmine](#).
