

Advanced roadmap - Error #411

Undefined method rest_hours

2011-02-12 19:41 - William Roush

Status: New	Start date: 2011-02-12
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Issues	Estimated time: 0.00 hour
Target version:	Redmine version:
Source:	
Detected on version:	

Description

I'm getting the error below, it was supposedly fixed in 0.1.0, I have absolutely no reason why this is showing up again, my setup:

- advanced_roadmap 0.3.0
- redmine_arch_decisions
- redmine_work_time

Ran this after deployment of the plugin:

```
rake db:migrate:plugins RAILS_ENV=production
```

I started to go through and strip out rest_hours from various parts of the site (issues, roadmap, etc.) but it's being sort of a pain, especially where there are tables that contain a calculated value with rest_hours.

```
Processing VersionsController#index (for 192.168.10.1 at 2011-02-12 13:36:59) [GET]

History

#1 - 2011-02-22 08:00 - Emilio González Montaña

What is your Redmine version?

Are the other plugins patching the Issue model also?

#2 - 2011-02-22 08:02 - Emilio González Montaña

- Subject changed from Undefined method `rest_hours' to Undefined method rest_hours

#3 - 2011-02-22 21:36 - William Roush

Redmine 1.1.1.stable (MySQL)

I'll check and see if redmine_work_time makes any modifications to the issue model.
