<b>Description</b> I have installed latest version of the plugin 0.40 on a Bitnami Redmine stack (Windows 7) version 1.0.4.  In the Roadmap tab, the entry "Due in" doesn't show correct values for remaining days and weeks:  Estimated time    256.00 hours Spent time    265.00 hours % Done    93% Due in    19.04 hours / %{value} days / %{value} weeks

There are 2 possibilities:

1. Updating the plugin version is solved.
2. It seems you haven't installed ruby gem i18n (needed for locales new syntax %{value}).
