

## Advanced roadmap - Support #815

May you tell me the code modification for 0.8.1 (I need calendar view, which doesn't work in 0.8.0)?  
Thanks

Look like this project is not getting updated anymore. Need to find an alternative now. :-(

Hi,

check my answer on issue 677.

I also had some trouble in the gantt view. In order to fix this I have edited lib/advanced\_roadmap/redmine\_helpers\_gantt\_patch.rb. Check the following lines and add ".html\_safe":

```
subject = "<span class='icon icon-milestones'>".html_safe
subject << l(:label_milestone_plural).html_safe
subject << "</span>".html_safe
```

Tested with Redmine 2.5.2

Chris
