

Scrum - User story #846

User workload

2014-07-24 17:01 - Jose Luis Santiago

Status: Rejected	
Priority: Normal	
Category:	
Target version:	
Blocked:	Alone:
Description As SCRUM MASTER I want to see the user workload in the scrum task board. That means assigned Hours / available hours. It's would be perfect if the color changes when the assigned hours are greater than available hours	

History

#1 - 2015-01-31 18:38 - Emilio González Montaña

- Status changed from New to Rejected

I can't see your point, from my understanding of Scrum process developers should choose their tasks (usually one by one), so the tasks are not preassigned by anyone.
