| in product backlog page, the sprints have listed also. And the user can drag one product backlog item to one sprint item. | | |

History

#1 - 2016-06-21 13:21 - Emilio González Montaña

- Category set to Product backlog
- Status changed from New to Rejected
- Blocked set to No

This can be done in current plugin version (just click on PBI edit icon & select the link to move to last Sprint).
