

Scrum - Defect #920

500 error None product backlog

2014-12-05 16:10 - Chris Yate

Status: Rejected	
Priority: Normal	
Category: Product backlog	
Target version:	
Source: Development	Blocked: No
Detected on version: Scrum v0.8.0	Alone:
Description I installed the plugin v0.8.0 in Redmine 2.6.0 On adding "Scrum" to a project I created a product backlog. However this causes errors when I try to add items to the product backlog, and I cannot select the backlog in the "sprints" menu.	

History

#1 - 2016-06-21 16:20 - Emilio González Montaña

- Category set to Product backlog
- Status changed from New to Rejected
- Blocked set to No

This is not a but, you should first create a product backlog on project settings (Sprints tab).
