Scrum - User story #985

Assign issue only to current or to-come sprints

2015-02-19 16:39 - Laurent REMY

Status:	Rejected		
Priority:	Normal		
Category:			
Target version:			
Blocked:	No	**Alone:**	

Description

Users should not be able to select sprints with expired end date when creating an issue.

When updating an issue, it's a bit tricky! They may select an expired sprint only if issue was already linked to that expired sprint.
