| Hello,   |               |
| To allow automated install of the plugin ( <a href="https://github.com/johanek/johanek-redmine#installing-plugins">https://github.com/johanek/johanek-redmine#installing-plugins</a> ), could you please provide repo (preferably Git) access to the code? |               |
| Thank you very much.   |               |
