

Scrum - User story #997

Support Redmine 3.0.x

2015-03-04 07:33 - Rt S

Status: Resolved	
Priority: Normal	
Category: General	
Target version: Scrum v0.11.0	
Blocked: No	Alone:
Description Kindly add support for redmine 3.0.x Requires : Rails 4.2.0 ruby 1.9.3 or higher (and now supports ruby 2.2) http://www.redmine.org/news/95 Added by Jean-Philippe Lang 12 days ago I'm pleased to announce that the new feature release Redmine 3.0.0 is available for download. This new version brings several improvements to the search engine (it's now much faster and includes new search options) and many new features: default issue status per tracker, multiple emails per user, ability to edit attachment descriptions and more. It now runs with the latest Rails 4.2.0 and ruby 1.8 is no longer supported. Redmine 3.0.0 requires ruby 1.9.3 or higher (and now supports ruby 2.2).	
Subtasks: To do # 1033: Migrate plugin Resolved	

History

#1 - 2015-03-04 13:40 - Emilio González Montaña

- Tracker changed from To do to User story
- Target version set to Scrum v0.10.0
- Sprint set to Product backlog

#2 - 2015-05-02 16:20 - Gennady Kovalev

It's now not usable with latest debian because of redmine 3.0 (+ruby, + rails).

Debian 8.0 (jessie) has:

- redmine 3.0
- ruby 2.1.5
- ruby-rails 4.1.8

And [#1008](#), [#1016](#) about the same.

#3 - 2015-05-31 21:06 - Emilio González Montaña

- Target version deleted (Scrum v0.10.0)

#4 - 2015-06-08 23:22 - Emilio González Montaña

- Category set to General
- Target version set to Scrum v0.11.0

#5 - 2015-06-08 23:22 - Emilio González Montaña

- Sprint changed from Product backlog to Sprint 19

#6 - 2015-06-08 23:22 - Emilio González Montaña

- *Status changed from New to In progress*

#7 - 2015-06-14 21:00 - Emilio González Montaña

- *Status changed from In progress to Resolved*
